

# Small Metal Fridge Magnets

product specifications

## Details

- A high quality UK manufactured alternative to vinyl fridge magnets
- The surface is 0.5mm thick aluminium backed with 0.6mm magnetic vinyl
- Superb photo quality 4 colour process print
- Wide choice of metal finishes (see above)
- Wide choice of shapes and sizes
- Minimum order quantity of 50 units

## Size/s

### Small

73mm x 44mm Oblong  
73mm x 35mm Oblong  
86mm x 54mm Oblong  
70mm x 53mm Oval  
76mm x 51mm Oblong  
63mm Round

### Medium

89mm x 89mm Oblong  
89mm Round  
115mm x 90mm Oblong  
115mm x 90mm Oval

## Material/s

**Metal Magnet:** Aluminium is one of the most sustainable materials around. Recycling aluminium is widely done and saves about 90% of the energy it takes to make new aluminium, also reducing the mining of the bauxite ore needed. Due to its wide and varied applications, the commercial and domestic recycling infrastructure of aluminium is continually growing and all our aluminium production waste is sold for recycling, the proceeds of which are used to plant trees with Ecologi. Recycling of aluminium varies widely in the UK with plenty of local council metal recycling centres.

**Backing:** 0.6mm magnetic vinyl
